MLRC (per Ross Wood)

The second and third RallyCrosses were held in Bancroft on September 27th and October 18th. The September event was originally scheduled for burnt River, but had to be moved as the new track was not quite ready. The entry keeps growing – there were 38 Drivers at the October event. Event and Series Results are posted on the MLRC website – www.mlrc.ca

Everyone is very busy in final preparations for the Rally of the Tall Pines, which will run in Bancroft on November 20-21. The route has been greencrewed and entries are pouring in better than in quite a few years. There are many Championships to be settled, including the CRC.

We are still looking for someone to sell merchandise on rally weekend. Contact Mike at mike@tallpinesrally.com if you can help with that. Workers who have not already registered should do so in the Worker section of the Pines website – www.tallpinesrally.com

TAC (per Paul Moore)

The motorsports seasons are all but drawn to a close for TAC members with the exception of rallying and the club is busy making plans for next year's competitions and our club business.

TAC will be holding its Annual General Meeting on Wednesday, November 18 at the Fox and Fiddle (Finch and Keele). At this meeting the positions of Vice President, Treasurer, Secretary, Competition Director, and Social Director will all be open.

Also eagerly anticipate is the TAC annual Christmas Party and Awards Banquet. This year the event will be held on November 28th at the Hilton Garden Inn on Hwy 7 in Vaughan. All are welcome to this social meeting. Tickets are available for \$30 from Ingrid at ibeck@ca.inter.net or can be purchased on line at the CASC website.

January 16th will be the official start to the TAC's 2010 motorsport season with the January Jaunt returning to Waterdown for the fourth year. This event offers navigational rally crews incredible roads on and around the Niagara escarpment, great instructions as well as the added challenge of unpredictable weather.

January 16th and 17th is also the official start to the 2010 Magnum Printing Ice Racing Series in Minden. This is the "tech" weekend when racers will be delivering their cars to Minden for scrutineering and beginning the secret rituals to appease the gods of winter allowing for cold temperatures and high, soft banks for the following weekend's racing! Weather willing, ice racing runs Saturday and Sunday for the next six consecutive weekends. Admission is free as always to the Minden Fairgrounds, plus ice racing is the only form of wheel-to-wheel racing that allows designated screamers (passengers!).

MCO (per Jean MacGillivray)

Rallycross: We held the final Rallycross in the three-event series on October 4, with 16 competitors entered and much fun being had and mud being splashed around. The organizers extended the course into the parking lot to avoid the worst of the mud on the track.

Open Road Rally series: The final TSD in the Open Road Rally series will be held on November 1, at which time the MCO award-winners will be determined, as well as the Open Road Rally (our sponsor) Targa winners. This event is also an ORRC, so we are looking forward to seeing rally friends from other clubs.

Targa Newfoundland: The winners of the 2008 Open Road Rally series, Christoph and Ferdinand Trauttmansdorff, won the Touring part of Targa Newfoundland. Other MCO members competed, crewed and worked the event.

Rally of the Tall Pines: Six MCO teams have entered to date, with other club members signing up to work the event.

Lanark Highlands Forest Rally 2010: It is scheduled for May 15, with the organizer working on contracts, finding sponsors, etc. We need to fill a key vacancy, that of Chief Control Marshal.

MCO AGM, November 17: I will be stepping down as a board member and Rally rep.

A new Rally rep will be taking my place.

I have enjoyed being able to attend these RSO meetings via conference call. Best wishes for 2010! See you on the stages.

KWRC (per Christina Chinn)

PMSC (per Rob MacKenzie)

The Peterborough Motor Sport Club has 60 members to date.

Let's start by sending out congratulations to our President Dan Demers for winning Mini Stock at the Autumn Colour Classic at the Peterborough Speed Way.

September 20th had the Fall Ball Solo take place at the Memorial Centre in Peterborough with 28 entries. The next Solo will be held October 18th at Kawartha Downs

The ORRC President's Prize rally was held October 24th with an entry of 11 teams. Another fine event organized by Dan Demers.

It has been decided at PMSC that a Rally committee be formed to handle all Rally matters to help grow the sport within the Club and to help the Competition Director. Peter Watt will chair this committee and the group will work with the Organizers of OPRC, ORRC and Club Rallies.

PMSC will hold their AGM and awards night on November 25, 2009.
